

3. What evidence do you see in the world today that mankind does *not* oversee the world in the way he was created to?

4. According to v. 9 how is Jesus the solution to mankind's dilemma in this fallen world?

**What Is Man?
Hebrews 2:5-9
Pastor Nathan Hogan**

DRIVING IT HOME

1. How does this text help to deepen your understanding of our salvation?

2. In what way(s) does this text make you long for the new creation?

Next Week: Hebrews 2:10-18

Current Memory Verses: Hebrews 2:17-18

GETTING STARTED

1. When have you ever felt small or insignificant in comparison with something in the natural world?
2. Why does God's creation sometimes make us feel this way?
3. What answers does the world give us to these feeling of insignificance? How does the Bible address this issue?

DIGGING DEEPER

1. As the author of Hebrews described what God created mankind to be, he quotes Psalm 8:4-6. What impresses you most about this description of humanity?
2. How do you see mankind function in this way in God's world?
